

checkinputcorrection.h

```
graph BT; A[checkinputcorrection.cpp] --> B[checkinputcorrection.h]
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text 'checkinputcorrection.h'. The bottom box is white with a black border and contains the text 'checkinputcorrection.cpp'. A solid blue arrow points vertically from the top edge of the bottom box to the bottom edge of the top box, indicating a dependency or relationship between the two files.

checkinputcorrection.cpp
